City Hall services are temporarily moving!

All the City services you are used to having available at City Hall (790 South 100 East) will be moving to other locations in the City when the City Hall remodeling project starts mid-April.

As of press time, City Hall departments will be located as follows: Mayor, City Manager, City Attorney and City Recorder will be upstairs in the Public Safety Building located at 805 South Main Street—just southwest of City Hall.

Our Utilities Department where you can pay your utility bill or reserve a City park will be located at 150 North Main Street, Suite 101. There will also be a 24/7 utility payment drop box outside the offices there as well. If you need to reach the Utilities Department by phone, the direct number is 801.298.6100.

Our Engineering and Planning Departments will also be located at 150 North Main Street, but in Suite 103. Business licenses, building permits, and all other related business can be conducted there. You

can also call those departments directly with any questions at 801.298.6125 (Engineering) or 801.298.6190 (Planning).

The IT and HR Departments will be located in our Water Department building, 260 West 1050 South.

Hours for the employees at these different locations will still be the same—Monday through Thursday from 7:00 a.m. until 6:00 p.m.

City Council meetings will be held at the South Davis branch of the library—725 South Main Street and Planning Com-

mission meetings will be held at the South Davis Metro Fire station located at 255 South 100 West.

The remodel project will update systems and structure that after 40+ years are starting to fail. The project is expected to take about a year and we look forward to sharing the improvements with the public when City Hall reopens.

Please watch our website (www.bountifulutah.gov) and/or social media (Facebook, Instagram and Twitter) for exact dates as we get closer to the move.

Bountiful's Spring Clean Up

Spring cleanup is April 8 - 12. During that week on your regular garbage pickup day, City crews will also remove trash and refuse which has been properly bundled, bagged or boxed. Limbs and trees must be cut in five-foot lengths, bundled and tied with twine. Each bundle, bag or box must not exceed 50 pounds. Please separate metal items from your other debris as metal recycling crews will be picking up those items. Concrete and construction materials will not be picked up curb side. All items including old furniture or appliances must be placed on the drive approach or park strip, not on the street or sidewalk. Spring cleanup items will be picked up by several cleanup crews at different times or on different days. In other words, all of your cleanup items may

not be picked up at the same time. Please have your cleanup

items out for our crews to pick up before 7:00 a.m. on your regular garbage day.

COMPLIANCE TO THE SPECIAL CLEANUP REGULATIONS IS MANDATORY. TRASH THAT DOES NOT MEET THE ABOVE REGULATIONS WILL NEED TO BE TAKEN TO THE LANDFILL BY THE PROPERTY OWNER.

To assist you in your spring cleanup, the landfill will not charge Bountiful residents a fee during spring cleanup week or the following week (proof of residency is required). Trash that does not comply with the above restrictions can be

taken to the landfill and disposed of at no charge April 8-20 during regular landfill hours. Landfill fees will still be in place for concrete and construction materials during the cleanup free weeks. We do not accept hazardous materials, propane tanks or tires of any kind during the cleanup week or at the landfill.

Garbage containers should be placed at the curb before 7:00 a.m. on your regular pickup day. Lids must be closed when put out for collection.

Landfill Summer hours start on April 1 and go through October 31. The hours are Monday through Saturday from 8:00 a.m. - 6:00 p.m.; closed Sunday & Holidays. Vehicles must be out by closing, so please plan accordingly. Please separate and place recyclable items in proper areas at the landfill.

Compost is available at the landfill for spring gardening which increases water retention in your soil. The cost is \$35 per ton.

How do I prepare for disasters?

There seems to be a lot of disasters in the world right now – fires, evacuations, severe storms, etc. How do you prepare for them? One way is with Community Emergency Response Team (CERT) training.

CERT teaches medical skills, how to put out fires, how to easily lift heavy objects with simple tools, how to recognize and protect yourself and your family from terrorist attacks and hazardous material incidents and many more valuable skills.

CERT training is open to anyone, but minors must be accompanied by a parent or guardian. Many families take

the course and enjoy learning and practicing together. This training is valuable for everyone, but it is especially important for Block Captains to take the course.

The class meets one evening per week for nine weeks with a final mock disaster on a Saturday morning. The cost for the course is \$40, which pays for a CERT backpack, vest, helmet, goggles, dust mask, flashlight, pry bar, gloves and a CERT manual which are yours to keep. The course will be offered on Thursday evenings with the first class on March 7. Classes are held at the South Davis Metro Fire station, 255 South 100 West. Don't wait until the class is full or until disaster strikes! Sign up today by calling 801.677.2400. For more information visit <http://bountifulprep.org/cert/>.

Bountiful's Got Talent Auditions Announced!

Audition dates for Bountiful's Got Talent are Wednesday, May 8, from 6:00 to 8:00 p.m.; Wednesday, May 15, from 6:00 to 8:00 p.m.; and Saturday, May 18 from 2:00 to 5:00 p.m. Auditions will be held at the Joy Foundation Studio, 55 N. Main Street. Applications will be available at the studio during the auditions. The finalists' audition date will be announced later.

Finalists will perform in concert on Friday, June 21 at 7:00 p.m. at the Bountiful City Park. Like our Facebook page (Bountiful City's Music In The Park) for more information and questions or contact Richard Watson at 801.540.3146 or the Joy Foundation at 801.797.9386.

Preparedness Seminar - The Water Lady on March 13

Becky Goodrich, "The Water Lady", will be giving her very popular presentation on emergency water storage and purification.

When: Wednesday, March 13 from 7:00-8:00 p.m.

Where: South Davis Junior High School Cafeteria, 298 West 2600 South

Sponsored by the Bountiful City Neighborhood Emergency Preparedness Council—Twitter: @Bountiful_Prep; Facebook: Bountiful Prep; <http://bountifulprep.org>; prepseminar@bountifulutah.gov

This event is free and open to all interested in learning more about our water system, its limitations after a disaster and how each resident can be prepared.

Help Wanted!

Advisor for the Bountiful City Youth Council needed!

We are looking for someone who would be willing to act as an advisor for the Bountiful City Youth Council for at least one year starting June 2019. As a leader for BCYC you would need to attend meetings at City Hall on two Wednesdays per month at 5:00 p.m. and help with occasional activities. There is a \$50 per month stipend. If you are interested, please submit your resume to kharris@bountifulutah.gov.

Applications for the 2019-20 BCYC will be available in the Mayor's office at City Hall or on the City's website beginning April 1.

All New South Davis Bus Route

UTA is excited to announce that the all-new F605 Flex Route Bus for Bountiful, Centerville and Woods Cross residents is available.

Now you can quickly connect to the Woods Cross train station, hospitals, restaurants, theaters, parks, rec centers and schools every 30 minutes. Visit any of our 45 stops Monday through Friday from 6:00 a.m. to 8:00 p.m.

Plus, connect with your favorite local 470 & 455 routes. Call ahead at 801.287.7433 to see if UTA can pick you up or drop you off from your home or business. For more information visit www.rideuta.com.

New Find it on Main! If you had \$50 to spend on Bountiful Main Street, what store would you spend it at? Enter to win on our Facebook or Instagram page @bountifulmainstreet.

Lisa Peterson was the winner of the last find it on Main and chose to spend her \$50 at Classy Chassis.

Meet Councilwoman Kate Bradshaw

Bountiful City welcomes Kate Bradshaw as the newest member of the City Council. She was sworn in on November 27, 2018, to fill a mid-term vacancy when Beth Holbrook resigned to become a UTA Commissioner.

Professionally, Kate's background is in government relations, campaigns & fundraising, and association management. Her day-job as the Director of Government Affairs for the law firm of Holland & Hart, LLP, includes overseeing the firm's government affairs programs in eight western states. Her personal practice includes representing clients before the Utah Legislature, Governor, and Executive Branch agencies.

Kate is a graduate of Westminster College in Honors and History, and also notes she is a graduate of Leo J. Muir Elementary, Mueller Park Junior High and Bountiful High School. Her husband, Michael O'Connor, is a teacher at Viewmont High School. In her free time, Kate is most likely to be found outdoors as an avid mountain biker, skier and hiker. As a family they enjoy camping trips with their dog, Ollie.

Scouting for Food Drive {March 16}

Please remember to put a bag or two of non-perishable food outside by your front door on the morning of Saturday,

March 16, for local Scouts to pick up and deliver to the Bountiful Community Food Pantry. The Scouting for Food Drive is the largest annual food drive each year and helps the Pantry greatly.

The Pantry would like to thank our generous community for all the holiday support that was provided during November and December 2018. Through community donations and help, all needs for Sub-for-Santa were met and enough turkeys/hams

were donated so that all pantry clients were able to receive one.

Visit bountifulfoodpantry.org for information on service opportunities, the Davis County 'No Hunger Zone' (fights child hunger) and most needed Pantry items; or justserve.org for information on volunteer opportunities for individuals, families and groups. Financial donations are also welcome and can be made to the Bountiful Community Food Pantry, 480 East 150 North, Bountiful, UT 84010 or on the website. Call 801.299.8464 for more information.

Diabetes Prevention

There are 29.1 million Americans who have diabetes and 86 million have prediabetes--that's nearly one in three! With those kind of numbers, it's important to learn about these chronic conditions and take action now. Are you at risk? Take the quiz at DoIHavePrediabetes.org to find out.

To address this growing issue, the Davis County Health Department offers the National Diabetes Prevention Program (PreventT2) to Davis County residents. PreventT2 is a research-based program designed to promote healthy lifestyle changes that have been proven to prevent or delay the development of type 2 diabetes over the course of 26 one-hour sessions. Topics include healthy eating, physical activity, how to face daily challenges of behavior change and more.

Interested in learning more? Contact the Davis County Health Department

at 801.525.5070 or visit <http://go.usa.gov/cJZPV>. Classes for 2019 begin in February, April, July and October. Register today at livingwell.utah.gov
