1. Welcome.

2. Approval of minutes for August 17, 2021.

MOTION: Commissioner Spratley made a motion to approve the minutes for August 17, 2021 with one correction on page 2 line 1 and 2 to be moved to line 25. Commissioner Clark seconded the motion.

VOTE: The motion passed unanimously (6-0) with Commissioner Jacobs abstaining as he was not in attendance at the August 17, 2021, meeting.

3. 171 West 1400 North – Conditional Use Permit for an Accessory Structure Exceeding ten percent (10%) of the Lot Area, Brandon Tims, applicant – Asst. City Planner Kendal Black

Brandon Tims was present. Assistant City Planner Kendal Black presented the item.

The applicants requested a Conditional Use Permit approval to allow for the construction of an accessory structure consisting of a detached garage with living space with would exceed ten percent (10%) of all accessory structures on the lot. The garage is 1,000 square feet and would cover fourteen percent (14%) of the total lot area. This approval is for an accessory structure and not an accessory dwelling and cannot be used as a rental. The City will have a deed restriction signed by the applicants and recorded at the County noting it is an accessory structure. The applicants will use the space as an art studio with a kitchen and bathroom to be used for washing up and personal snacks.

Chair Monson opened the public hearing at 6:39 p.m.

Julianne Jensen resides at 164 West 1400 North and asked for clarification if this studio will be run as a business.

Chair Monson closed the public hearing at 6:40 p.m.

1 Mr. Tims stated that the current plan for this project is for an art studio for private use and will not
2 include student classes, but it could in the future become more of a home-based business and could
3 sell product in the future thru internet sales or thru farmers markets. He noted that the plan for this
4 project will include replacing and widen the driveway approach and the driveway.
5

6 Staff discussed the shared driveway access approach, Accessory Dwelling Unit standards, and that a
7 home-based business would be allowed at this location. City Engineer Cheney stated that a shared
8 access would be acceptable, but a drive approach would need to be constructed within the City
9 requirements.
10

11 MOTION: Commissioner Spratley made a motion to approve with the three conditions outlined by
12 staff. Councilwoman Harris seconded the motion.
13

14 VOTE: The motion passed unanimously (6-0).
15

16 CONDITIONS OF APPROVAL:
17

- 18 1. Prior to final inspection / certificate of occupancy the Applicants shall resolve concerns over the
19 shared drive access with the property owner to the east to the satisfaction of the City Engineer.
- 20 2. Prior to final inspection / certificate of occupancy the Applicants shall replace existing uneven
21 and/or broken sidewalk sections and sections that may be damaged during construction.
- 22 3. Prior to final inspection / certificate of occupancy the Applicants shall sign a Deed Restriction
23 drafted by Planning Staff and have it recorded at the County which will serve notice that although
24 the accessory structure has a kitchen in it, it is not an accessory dwelling unit (ADU) and cannot
25 be used as a separate rental unit.
26

27 MOTION: Commissioner Jacobs made a motion to approve the Conditional Use Permit letter in
28 written form as presented. Commissioner Clark seconded the motion.
29

30 VOTE: The motion passed unanimously (6-0).
31

32 *Councilwoman Harris left the Council Chambers at 7:00 p.m.*
33

34 **4. 1303 South 700 East, Creekside Views Preliminary Subdivision, a 6-lot residential subdivision**
35 **-City Engineer Lloyd Cheney**
36

37 Dan and Amber Crane were present. City Engineer Lloyd Cheney presented the item.
38

39 Dan and Amber Crane, owners of the 5.58-acre parcel, have applied for approval of a new 6-lot
40 subdivision to be named Creekside Views. The previous owners had a development concept project
41 that included higher density townhomes with a high traffic connection but did not complete the
42 approval process. The applicant's proposal would have a short cul-de-sac and each lot would meet
43 the City's requirements for lot width and size.
44

45 Utilities are available for this area but will have a few additional conditions to address. This project
46 will allow Storm Water, Bountiful Water and Bountiful Irrigation to make improvements with new
47 pipes, connections, manholes, new mains, and overall general maintenance. There is also an existing

1 paved and fenced kiddie walk which will remain to provide access to Valley View Elementary from
2 Davis Blvd. This project will also have both retention and detention basins in compliance with a new
3 State law. The Engineering department will continue to work with the applicant to include a trail
4 easement along the creek to Davis Blvd.
5

6 *Councilwoman Harris returned to the Council Chambers at 7:07 p.m.*
7

8 MOTION: Commissioner Spratley made a motion to forward a positive recommendation to the City
9 Council with the seven (7) conditions as outlined by staff. Commissioner Clark seconded the motion.
10

11 VOTE: The motion passed unanimously (6-0).
12

13 **CONDITIONS OF APPROVAL:**
14

- 15 1. Comply with Davis County ordinances for development adjacent to Mill Creek drainage.
 - 16 2. Replace any damaged curb, gutter and sidewalk along the Davis Blvd frontage.
 - 17 3. Prepare a final plat and construction drawings prior to making application for Final Approval of
18 the subdivision.
 - 19 4. Provide a current title report.
 - 20 5. Sign a Development Agreement
 - 21 6. Post an acceptable form of bond for the construction of the subdivision improvements.
 - 22 7. Pay all required fees.
- 23

24 **5. 1545 South Main Street – Thirst Drinks Fast-Food Restaurant with drive-up Conditional Use**
25 **Permit in written form, Alex Winder, applicant – Asst. City Planner Kendal Black**
26

27 Commissioners discussed the necessary restriction of the right turn signage. City Engineer Cheney
28 spoke about discussions had with City Manager Hill about traffic flow. City Engineer Cheney
29 believes that this right-hand sign should be considered due to the possible changes to the nearby
30 elementary school.
31

32 Planning Director Astorga stated that City Council added the extra condition during the site plan
33 approval and staff then added it to the Conditional Use Permit in written form.
34

35 Chair Monson was concerned about the additional condition for item three on the written form which
36 had been given to the Commissioners for their approval. He noted the Planning Commission is the
37 final authority/deciding body for Conditional Use Permits and was concerned that the Commissioners
38 should approve this form since it has an additional condition that was not approved at the August 17
39 Planning Commission meeting.
40

41 Planning Director Astorga stated that the additional condition was given from the City Council at the
42 Preliminary and Final Site Plan.
43

44 City Attorney Drake noted the applicant was at the City Council meeting and did agree to the
45 additional condition.

DRAFT

Planning Commission Staff Report

Subject: Proposed Land Use Code Text Amendment
Regarding Accessory Dwelling Units
Author: Francisco Astorga, AICP, Planning Director
Date: October 5, 2021

Background

In 2018 the City amended provisions regarding Accessory Dwelling Units (ADUs) which included the rental to unrelated occupants, and other amendments. In November of 2020, after analyzing the existing ADU Ordinance, the City amended the ADU Ordinance to clarify the definition of an ADU, added a parking requirement, and amended the total floor area requirement.

During the 2021 Utah Legislative Session, [House Bill \(HB\) 82 Single-Family Housing Modifications](#) passed, which modified single-family housing provisions which affected internal ADUs throughout the state including:

1. Makes internal ADUs permitted in all residential zones in a primary dwelling.
2. Changes definition of single-family limit strikes word “unrelated”.
3. Adds new definition of Internal ADU to the state’s Land Use Development and Management Act (LUDMA).
4. Prohibits regulation of internal ADU size.
5. Prohibits regulation of minimum lot frontage and lot size, except that it can prohibit on lots smaller than 6,000 square feet.
6. Allows several requirements to be imposed locally consisting of parking, exterior appearance, permit or business license, and owner occupancy restrictions.
7. Allows recording notice of an internal ADU on property.
8. Allows the prohibition for short-term rental of internal ADUs.
9. Establishes a separate process for internal ADU notice of violation and appeal.
10. Changes egress window requirement for bedroom for an internal ADU, allows requiring upgrade.
11. Makes State Construction Code changes for IADUs.
12. Prescribes that HOAs cannot prohibit IADUs.

Analysis

Currently the Bountiful City Land Use Code allows ADUs within the Single-Family Residential Zone consisting of subzones R-1, R-3, R-4, and R-F as a conditional use reviewed by the Administrative Committee. The newly adopted *LUDMA § 10-9a-530. Internal Accessory Dwelling Units* provides a new definition for internal ADU, and primary dwelling as shown on the following page:

10-9a-530. Internal accessory dwelling units.

(1) As used in this section:

(a) "Internal accessory dwelling unit" means an accessory dwelling unit created:

(i) within a primary dwelling;

(ii) within the footprint of the primary dwelling described in Subsection (1)(a)(i) at the time the internal accessory dwelling unit is created; and

(iii) for the purpose of offering a long-term rental of 30 consecutive days or longer.

(b) "Primary dwelling" means a single-family dwelling that:

(i) is detached; and

(ii) is occupied as the primary residence of the owner of record.

(2) In any area zoned primarily for residential use:

(a) the use of an internal accessory dwelling unit is a permitted use; and

(b) except as provided in Subsections (3) and (4), a municipality may not establish any restrictions or requirements for the construction or use of one internal accessory dwelling unit within a primary dwelling, including a restriction or requirement governing:

(i) the size of the internal accessory dwelling unit in relation to the primary dwelling;

(ii) total lot size; or

(iii) street frontage.

(3) An internal accessory dwelling unit shall comply with all applicable building, health, and fire codes.

[...]

HB 82 indicates that an internal ADU is a permitted use in any area zoned primarily for residential use within a primary dwelling if the single-family dwelling is detached and is occupied as the primary residence of the owner of record. Based on this new state mandate the following zones are affected as single-family dwellings, new and existing, are listed as allowed uses (permitted and conditional):

1. Single-Family Residential Zone (R-1, R-3, R-4, and R-F subzone)
 - *Single-family dwelling, existing* is listed as a permitted use (P).
 - *Single-family dwelling, new* is listed as a permitted use (P).
2. Residential Multiple Family Zone (RM-7, RM-13, RM-19, and RM-25 subzone)
 - *Single-family dwelling, existing* is listed as a permitted use (P).
 - *Single-family dwelling, new* is listed as a conditional use (C).
3. Downtown (DN) Mixed Use Zone
 - *Single-family dwelling* is listed as a permitted use (P).

- *Single-family dwelling- property fronting on Main Street is expressly prohibited (N).*

Section 4 of 10-9a-530. Internal accessory dwellings (State Code) is shown on the left side below, while a staff explanation / status of each optional item is shown on the right side:

<i>(4) A municipality may:</i>	Explanation
<i>a. prohibit the installation of a separate utility meter for an internal accessory dwelling unit;</i>	Already part of the ADU ordinance as of 2018. No change requested.
<i>b. require that an internal accessory dwelling unit be designed in a manner that does not change the appearance of the primary dwelling as a single-family dwelling;</i>	Already part of the ADU ordinance as of 2018. No change requested.
<i>c. require a primary dwelling:</i> <i>I. to include one additional on-site parking space for an internal accessory dwelling unit, regardless of whether the primary dwelling is existing or new construction; and</i> <i>II. to replace any parking spaces contained within a garage or carport if an internal accessory dwelling unit is created within the garage or carport;</i>	Already part of the ADU ordinance as of 2020. No change requested.
<i>d. prohibit the creation of an internal accessory dwelling unit within a mobile home as defined in Section 57-16-3;</i>	Regulation is not necessary. Mobile homes are not allowed in any zone throughout the City. Any use not listed therein (permitted, conditional, and prohibited uses table) is expressly prohibited.
<i>e. require the owner of a primary dwelling to obtain a permit or license for renting an internal accessory dwelling unit;</i>	Currently a Conditional Use Permit (CUP) is required. Based on the state mandate, this would be a permit for internal ADUs. Detached ADUs would continue with the CUP with the Administrative Committee.
<i>f. prohibit the creation of an internal accessory dwelling unit within a zoning district covering an area that is equivalent to:</i> <i>I. 25% or less of the total area in the municipality that is zoned primarily for residential use; or</i>	Currently not recommending exercise this option of removing 25% or less.

<i>II. 67% or less of the total area in the municipality that is zoned primarily for residential use, if the main campus of a state or private university with a student population of 10,000 or more is located within the municipality;</i>	
<i>g. prohibit the creation of an internal accessory dwelling unit if the primary dwelling is served by a failing septic tank;</i>	Septic tanks are currently not allowed. No change requested.
<i>h. prohibit the creation of an internal accessory dwelling unit if the lot containing the primary dwelling is 6,000 square feet or less in size;</i>	The current code regulates the minimum lot area of detached ADUs, not internal ADUs. No change requested.
<i>i. prohibit the rental or offering the rental of an internal accessory dwelling unit for a period of less than 30 consecutive days;</i>	The current code does not make any distinction between short- and long-term rentals. Prohibition recommended on the proposed ordinance.
<i>j. prohibit the rental of an internal accessory dwelling unit if the internal accessory dwelling unit is located in a dwelling that is not occupied as the owner's primary residence;</i>	Already part of the ADU ordinance as of 2018. No change requested.
<i>k. hold a lien against a property that contains an internal accessory dwelling unit in accordance with Subsection (5); and</i>	Lien language recommended on the proposed ordinance.
<i>l. record a notice for an internal accessory dwelling unit in accordance with Subsection (6).</i>	Already part of the ADU ordinance as of 2018. No change requested.

The proposed ordinance, attachment 1, complies with the provisions listed on HB 82.
