

# Bee Where the Fun is on Main Street

Main Street of Bountiful is the place to BEE  
Six new residents have joined our fair city, come see!

They have wings and antennae, and flit to and fro  
Flowers are their favorite to dine on the go

They also like art; music is the bees' knees

Look low around the BDAC

1

A good book is dandy, and certain to please

Think actual garden outside the Book Garden

2

3

With their love of flowers, gardening will beguile

Gardening outside near Pistil & Thorn - you may have to peak around plants!

4

And shopping for fashion that's always in style

On it's side and low near the west side bakery & boutiques

They live in a hive where teamwork is key

Sports are second nature to our resident bees

Near Pat's Dancewear ready to run to the grass

5

6

Spending time together is an absolute dream  
Especially when enjoying delicious ice cream

With a view of Blacksmith look lower on the side of the planter

To meet these new friends, use these hidden clues

They will help you to find our new apian crew

Grab a coat and a hat, and put shoes on your feet
