- Meet the artists night on August 15th at BDAC

MAYOR'S CORNER — A FEW RANDOM THOUGHTS

One of the benefits of being Mayor of Bountiful City is that I have the opportunity to rub shoulders with so many of our outstanding citizens. Whether it's at the grocery store, a restaurant, a community event, at church, or simply on the street, Bountiful's residents are not shy about expressing their thoughts and opinions. I love talking to them, because it gives me the opportunity to get their thoughts and feeling about things which we are doing well, and things that we may need to improve on as we go forward.

The filing deadline for municipal elections ended on July 15th. We have six candidates who have filed for three council seats. The election will be held on November 8, 2011. The three incumbent council members, all of whom are completing their first full four year term, have filed for reelection — Councilman Scott Myers, Councilwoman Beth Holbrook, and Councilman John Marc Knight. One former City Councilman, Richard Higginson, has also filed to run, along with Ernie Cox, who has run previously, and Micah Day, a young person who I had the opportunity to meet a couple of weeks ago. The three candidates receiving the most votes on November 8, 2011, will take office to serve a four-year term beginning January, 2012. I believe the three incumbent council members have done an outstanding job in their first four-year term and deserve serious consideration for a second four-year term. By the same token, the other three candidates are good people whose intent appears to be to keep Bountiful the special place that it is. I would encourage all citizens to get to know the council candidates a little better between now and November.

I want to thank all of the citizens and businesses of the community for their preparation, communication and understanding of our power outage in June. It was absolutely amazing how few calls we received during the outage, which we scheduled for

a Sunday morning at 1:00 a.m. The changes that we needed to make to our main substation were successfully completed and the citizens' preparation and understanding of this even could not have been better (see related story on page 3). We are also continuing to progress on our power plant expansion at 200 West, and hope to take delivery of the new natural gas turbines by December, 2011, so they will be installed and ready to operate for the summer time electrical load in 2012.

For those of you who have not had an opportunity to attend a play at the new Centerpoint Legacy Theater, I would encourage you to do so. The quality of the plays is outstanding, the facility is first-rate, and the entertainment is wholesome and family-oriented. I am proud that Bountiful partnered with Centerville City to complete this exceptional addition to the cultural life of South Davis County.

I also want to report to you that the South Davis Recreation Center is continuing to be a great success. Our citizens, ranging from tots to our oldest seniors, use and enjoy the facility. Being active throughout your life is a blessing. Financially, the center is doing well and has exceeded the revenue projections made when it was constructed. The admission rate and annual fees are almost identical to when it opened five years ago, and we have not had to ask for any tax increase to support the facility. If you haven't had the chance or taken the opportunity to visit the facility, I would encourage you to do so.

Finally, congratulations to our 2010-11 Bountiful Youth City Council, awarded First Place for the best youth city council in the state. Thanks to Councilman Knight for being their advisor.

Being Mayor of Bountiful is one of the best jobs in the world. I have enjoyed my almost 10 years as Mayor, and look forward to the remainder of my term serving the citizens of Bountiful.

August 2011

BOUNTIFUL CITY'S FALL CLEAN UP

Full cleanup is October 10 thru October 14, 2011. During that week city crews on your regular garbage pickup day will also remove trash and refuse which has been properly bundled, bagged or boxed. Limbs and trees must be cut, bundled and *tied* in 5-foot lengths. Any bundles, bags or boxes must not exceed 50 lbs. Items such as old furniture or appliances should be placed on the drive approach or park strip, not on the street or sidewalk. Please place your items out by 7:00 a.m. on your garbage day.

October 2011				
M	T	W	T	F
10	11	12	13	14

Also, to assist you in your cleanup, the landfill will not charge a fee to the residents of Bountiful during fall cleanup week or the following week so trash that does not comply with the above restriction can be disposed of at no charge. We can no longer accept propane tanks or tires of any kind during clean up week or at the landfill.

COMPLIANCE TO THE SPECIAL CLEANUP REGULATIONS IS MANDATORY. TRASH THAT DOES NOT MEET THE ABOVE REGULATIONS NEEDS TO BE TAKEN TO THE LANDFILL BY THE PROPERTY OWNER.

Bountiful City will also be conducting a *Household Hazardous Waste Collection* Program on Saturday, October 15, 2011, from 9:00 a.m. to 3:00 p.m. at the City's Maintenance Facility, located at 950 South and 200 West in Bountiful. See the flyer in your September utility bill for details.

Garbage is picked up on all holidays except for Thanksgiving, Christmas and New Years Day. On those three holidays your garbage will be one day delayed with Friday's route being picked up on Saturday. Again, please have your containers out by 7:00 a.m. on garbage day.

BOUNTIFUL FARMER'S MARKET
Thursdays through about
October 13

WATER QUALITY REPORT

Each year all water systems in the state of Utah are required to report on water quality to consumers. This Consumer Confidence Report must contain information on the quality of the water delivered to the community and characterize the risks (if any) from exposure to contaminants detected in an accurate and understandable manner.

July 1 each year and should give information on sampling results and other pertinent information for the previous year. Bountiful City meets or exceeds all the state requirements. The 2010 report is now available to view on the Bountiful City website (www.bountifulutah.gov), or you can pick up a copy at the Water Department office at 260 West 1050 South or at City Hall located at 790 South 100 East.

This report must be made available by Hall located at 790 South 100 East.

BOUNTIFUL COMMUNITIES THAT CARE

Bountiful Communities That Care (CTC) is a program set up to help fight underage drinking in our community by using proven programs to address issues our youth face - but first we need your help!

If you have experience in management, data analysis, fundraising, community outreach, working with youth, or just want to help make a brighter future for Bountiful, we need you!

CTC works because the community decides what is best. Everyone, from PTA

presidents to business owners, has equal say in how to improve our city.

By providing 1-5 hours of volunteer work a month to CTC, you will be working to prevent problems before they start and help build a better community for all of us.

Please contact Curtis Haring, CTC Coordinator, at charing@bountifulutah.gov to find out more.

Many residents are already helping improve the city for years to come and you can too.

THANK YOU TO BOUNTIFUL CITIZENS

Bountiful City Light & Power Department (BCLP) continues every year to upgrade its electrical system and to improve reliability. As part of this effort, BCLP will spend \$3 million to upgrade its Parrish Substation in Centerville, where power is delivered at 138,000 volts and converted to 46,000 volts for delivery into Bountiful.

A major part of this project involved replacing a single 43-year-old circuit breaker and upgrading the substation to include an additional breaker or path for power to be delivered to the City. The city-wide power outage on June 26th was necessary and patience!

The substation can be seen from Legacy Highway at Parrish Lane in Centerville.

to safely complete the final steps to separate and re-connect the 138,000 volt transmission lines to the new circuit breaker.

With the project's successful completion, BCLP can now supply power to the City through either of the breakers, allowing us to perform important maintenance on the other breakers and equipment in the Substation. These multiple breakers add a redundancy to the power system that increases system capacity and reliability.

We know how inconvenient power outages can

be, so we thank you for your understanding and patience!

BOUNTIFUL VETERAN'S MEMORIAL GROUNDBREAKING

Forces of the United States of America. If you

Ground will be broken on 11/11/11 at the Bountiful City Cemetery for an updated memorial honoring all men and women from the South Davis County area who have served in the Armed

know the name of someone who should be included in this honor, or would like to support this effort with your time or a monetary donation, please contact the American Legion at 801-654-1523, bountifulveteransmemorial@gmail.com or more information is available at www.bountifulveteransmemorial.info.

BCSC SEEKING NOMINATIONS

The Bountiful Community Service Council is accepting nominations for community service projects. Our goal is to find deserving homeowners who need a little extra help with their clean up. We are going to set up a "Day of Service" in the month of September and the Bountiful Community Service Council is looking for nominees within our community. Please visit the Bountiful City website at www.bountifulutah.gov for a nomination form. Completed forms must be submitted to Richard Watson, BSCS Chair, via City Hall, 790 South 100 East, by 5:00 pm on Wednesday August 31, 2011. If you have any questions, please contact Richard Watson at 801.540.3146.
