Effective May 9, 2023

The office for Bountiful City Cemetery is located at 2224 South 200 West, Bountiful, Utah. It is here that all funeral arrangements must be made. All information concerning the cemetery, including records, purchasing procedures, regulations, etc., may be obtained from this office.

It is the desire of Bountiful City Corp. to operate and maintain a cemetery that is beautiful, dignified and an appropriate final resting place for loved ones.

In formulating these rules and regulations it has been the City's desire to offer as much freedom of choice as possible while still preserving regulations necessary to maintain a high standard of beauty and efficiency. We sincerely hope that you will assist us in this effort by adhering to these rules.

In addition to these rules and regulations, all interments shall be subject to the orders and laws of Davis County and the State of Utah.

LOT OWNERSHIP & PRIVILEGES

A. Purchase of Burial Lots

Bountiful residents may purchase lots, pre-need, at the rates outlined in the Cemetery Fee Schedule. Plot purchases are restricted to two (2) plots per purchase transaction. Purchased lots must be linear (side by side), in layout. The owner must designate, by name, the intended user of each plot at time of purchase. If purchaser currently owns burial plots designated with his/her name, additional plot purchases are prohibited. Exception: in the event of a dependent child passing before a parent/guardian, one (1) plot may be purchased for the child and an additional two (2) plots may be purchased for the parents/guardians, at the time of need. All other plot needs will be considered on a case-by-case basis at the discretion of the Cemetery Superintendent.

Non-residents may only purchase plots at time of need at current rates outlined in the Cemetery Fee Schedule. Plot location is limited to double-depth, "next available" or "in-fill" plots only, as designated by the superintendent. Location of plot will be determined at time of need.

"Resident" is defined as: a person who lives within the legally defined boundary limits of Bountiful City with a permanent address and/or is a current legal property owner paying local property taxes on said property. Exception: If a resident moves into a care facility, outside of City boundaries, and passes while at that facility, that individual retains their Bountiful City residency. Proof of Residency or Taxpayer status will be required at time of the plot(s) purchase transaction.

B. Nature and Extent of Rights acquired:

Upon the payment of the purchase price of a lot the purchaser acquires the rights of burial in said lot, subject to the rules and regulations of the cemetery.

No interment or marker installation will be allowed, on any lot, not fully paid for except by special consent of the cemetery superintendent. In the event such consent is given, any interments or markers placed on said property shall be considered as permissive until such property is fully paid for. The failure on the part of the purchaser to make full payment, within 30 days, shall give the cemetery superintendent the right, at his option, to remove any remains on said lot and re-inter them in a location within the cemetery which is suitable to the cemetery superintendent.

C. Transfer of Burial Plots:

Burial plots purchased prior to May 9, 2023, may be transferred to residents or non-residents as provided for in this policy and the Cemetery Fee Schedule. Plots purchased after May 9, 2023, may only be transferred to a current Bountiful City Resident as defined in Section A.

A plot owner must give proper notice and file required paperwork with the cemetery. Plot ownership transfers are not final until all required paperwork is completed and filed, Bountiful City residency has been verified, and all associated fees or charges have been paid in full.

Burial Plots may be sold back to the City at the original purchase price as set forth at the time of original plot purchase date.

D. Descent and Inheritance of Burial Rights:

Upon the death of the lot owner, the ownership of the lot shall transfer to those named in a will or to heirs designated by law, subject to the Bountiful City Cemetery policies and procedures, including any payment of applicable fees. If there are no legal documents to identify the successor in ownership, the cemetery superintendent shall act upon his best judgment in determining heirship and successorship, unless an affidavit of heirship together with the power appointing one of the heirs to represent all or a certified copy of the decree of distribution of the estate of the deceased lot owner or purchaser is first filed with the cemetery superintendent. Bountiful City Corp. shall in no way be held responsible for a failure to properly determine the legal successorship of the said lot owner or purchaser.

The heirs are entitled to the use of the lot subject to all cemetery regulations in effect at the time of use including but not limited to resident or non-resident rates and fees, burial requirements, ownership transfers, marker allowances, etc.
