Mayor's Corner: We will do better than "return to normal"

This pandemic is the strangest event in my lifetime. We feel it at our doorstep with the passing of our neighbors and the loss of our friends' livelihoods, and at the same time we are sharing this condition with 7.6 billion people on the planet. And, we don't know how long it will last.

Despite the challenges, we have the rarest of opportunities to view things from a different perspective where we can see clearly what is important and necessary, and what is not.

In 1975, my wife Melanie and I left our first home in Sugar House and moved with our two young boys to Western Samoa as Health Care missionaries. Samoans live a happy and simple life of hard work and love of family. Most Samoans live in a one room fale (house with a thatched roof) where that room is transformed several times a day

to accommodate meals, fun and sleep for their large families. When we returned to our modest brick bungalow in 1976, it looked like a castle and we felt a bit guilty to have three bedrooms. Like most of us right now, we are seeing the world differently, perhaps with more and brighter perspective.

Every day we see individuals, families and businesses being creative and innovative. We are learning to adjust and make the most of our situation. The stories we hear are inspiring, such as young musicians entertaining the most vulnerable from the sidewalk. Positive people around the world are immersed in doing good. Why would we want to go all the way back to "normal"? I am seeing love, forgiveness and selflessness winning the day-every day.

We ache for those whose lives are forever

changed by the virus, but we are also inspired by individuals, families and businesses who are showing us how to live differently than before COVID-19. We are discovering new things and ideas that will transform how we do things. The importance of sanitizing and hand washing and the value of toilet paper will never be the same!

We are grateful for those on the front lines of this disease. Physicians, nurses, EMS, police, firefighters, samplers and testers and many others who

Bountiful Community Food Pantry Thank You and Request for Help!

The Bountiful Community Food Pantry would like to thank everyone who has made food and financial donations to the Pantry during this unprecedented time caused by COVID-19. At a time when food inventory was low and the annual March Feed Utah Food Drive was postponed, the Pantry has been able to continue serving those in need due to these generous donations. We are finding, however, that as time passes the need is growing and we would appreciate any food donations that can be brought to the Pantry. Neighborhood food drives have been very helpful—please contact the Pantry for information on organizing one in your neighborhood if interested. Find information on how you can help online at facebook.com/bountifulfoodpantry, JustServe.org, www.bountifulfoodpantry.org or by calling the Pantry at 801.299.8464. Financial donations can be made online at www.bountifulfoodpantry.org or can be mailed to 480 East 150 North, Bountiful, UT 84010. Our Pantry has become the lifeblood for many families during this time—we appreciate your donations that make it possible for us to continue to help!

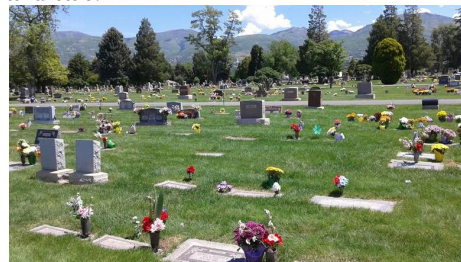

Special Dates at the City Cemetery

Because of the social gathering restrictions in place at press time, the Bountiful City Cemetery does not know what to expect for the Memorial Day holiday. Regardless, if you'll be bringing flowers to the cemetery in May, please be aware of the following dates:

- **Monday, May 4:** Regular monthly clean-up
- **Thursday, May 14:** Additional clean-up, in preparation for Memorial Day
- **Thursday, May 14 – Wednesday, May 20:** No flowers or decorations allowed while we prepare the grounds for Memorial Day
- **Thursday, May 21:** Flowers and decorations allowed in cemetery again

• **Monday, May 25:** Memorial Day!
 • **Monday, June 1:** Regular monthly clean-up
 Thank you! Please stay healthy and safe!

Mayor (con't from pg. 1)

Greetings from Bountiful Ridge!

On behalf of our Bountiful Ridge Golf Staff we hope this message finds you safe and well! These past few months have definitely been unprecedented times. We are looking forward to getting back to some normalcy (whatever the new normal may be) and back into "the swing" of things again.

Along with our daily play, we are looking forward to another fun-filled season of golfing activities. Bountiful Ridge offers a variety of playing opportunities for players of all levels and abilities featuring our men's association, senior men's association (for age 55 & over), ladies association (Tuesday morning 18 hole league & Monday evening nine hole league), Sunday evening "Guys &

Gals" league, along with our junior club and lesson activities. Don't miss out on joining in the fun that these programs provide. For those golfers in need of a spring tune-up on your swings, contact the pro shop for lesson appointments and details about our instructional programs.

Rated Utah's "#1 municipal course" to play and nationally as "The Best Value" by Golf Digest Magazine, the Bountiful Ridge Golf Course also serves as an excellent venue for corporate and group tournament outings! For more information about our programs, association activities, and tournament information, contact the Bountiful Ridge Golf Shop at 801.298.6040.

You can reserve your tee time online at www.bountifulridgegolf.com or by calling us at 801.298.6040. We look forward to another great golfing season and seeing you at the Golf Course!

Bountiful Ridge "Clubs for Kids Block Party Day"

Davis County Fair—August 12-15—Davis County Fair Grounds Visit davisfair.com for more information.

Car Show—August 28 & 29—Main Street and City Park

It's show time and the Bountiful Rotary Club is gearing up for their 22nd annual “Coats for Kids” Car Show extravaganza. It will be held Friday evening, August 28, along Bountiful’s Historic Main Street and Saturday, August 29, in the Bountiful City Park at 200 West and 400 North.

The Friday Night Street Party on Main Street begins at 5:30 p.m., just in time to join us for dinner at the food court! Buying dinner at the show helps support the kids, so plan to have dinner with us! Also on tap are lots of family-friendly activities, live music and the parade of cool cars (sponsored by your local Ford stores) at 6:00 p.m. The Smokin’ Tire Burnout (sponsored by Burt Brothers Tire & Service—the track set up is sponsored by Holly Frontier Refinery) will be at approximately 8:00 p.m.

Saturday begins at 10:00 a.m. in the Bountiful City Park. The entire family can enjoy seeing the great cars on display, eating delicious food and playing games—the proceeds of which all go to support the kids! There will be a Bike Rodeo at 11:00 a.m. (sponsored by LDS Hospital) and be sure to enter the drawing for a grand prize. At noon there will be a special patriotic program and show awards will be presented at 3:00 p.m.

We are also looking for volunteers and it's easy to sign up on the website (bountifulrotary.com) - there are many times and service options to choose from. Proceeds from this event go to clothe children in new and warm winter coats, boots and mittens. Over 11,000 children in our community have been served with funds from this event over the past 21 years. The Rotary Club appreciates the incredible support of the community, Bountiful City and the many generous sponsors who have made this event so successful. Because the food and prizes are donated, all the dollars from registering a car, purchasing food and drinks, or participating in the drawings, games and contests, go directly to the children. So come, bring your family for dinner Friday night and enjoy a wonderful Saturday in the Park while doing something positive for your community. Remember, it's all about the kids! Visit bountifulrotary.com for more information or to volunteer!

Bountiful City Reminders—cross connections, weeds and signs!

CROSS CONNECTIONS—It is a violation of State Law to interconnect culinary and secondary water supplies, as it can result in the contamination of the public water supply. A **cross connection** is any actual or potential arrangement between a public or consumer's culinary water system and any other source or system that may potentially introduce chemicals, fertilizers or untreated water into the potable water system. Here are some examples of how cross connection/backflow can happen:

- **Backpressure** happens when the pressure of the contaminant source exceeds the positive pressure in the water distribution main.
- **Backsiphonage** is caused by a negative pressure (vacuum or partial vacuum) in the water distribution system.

If you have questions or would like more information, please visit our website at www.bountifulutah.gov (Departments > Water) or call the Water Department at 801.298.6180.

WEEDS—The sun is now shining and the warmer weather brings new growth throughout the City, including **weeds**. As a reminder please ensure all weeds on your property are trimmed below six inches and not allowed to accumulate. Also, please remember any dead or dying vegetation should be removed from your property.

SIGNS—If you are a business owner wanting to update or add signage to your property, please remember all signs, including temporary signs, require a **sign permit**. Contact the Bountiful City Planning Department by email at planning@bountifulutah.gov or by phone at 801.298.6190 if you have any questions.
