### Mayor's Corner: New year—new decade!

**H**APPY NEW YEAR— and new decade— to all of my Bountiful neighbors!

This is a great time to contemplate where we stand in our personal lives and consider making some changes that will enhance our quality of life. Here are some ideas that ring true for me:

1. Read Dave Barry's 2019 year in review ([washingtonpost.com](http://www.washingtonpost.com)) to give perspective of what we have recently experienced. It is a great and funny read!
2. Appreciate the differences in all of us. Our lives are unique and our opinions are valuable. We have more in common between us and this year, more than ever, it would be good to talk about

those more than the differences.

3. Get more physically fit. Walk the streets, hike our beautiful trails or get on your bike and ride. Do what you can for the situation you are in.
4. Eat foods that are good for you. We are what we eat is probably true.
5. Enrich your life with spiritual health.
6. Drive a little slower and let other drivers into your lane.
7. Spend less time on your "devices" and more time talking with each other face-to-face.
8. Reach out to your close neighbors and develop friendships. If neighbors reach out to you let them help you.

9. Find ways to show kindness to others everyday.
10. Remember how fortunate we are to live in the United States, to live in this gorgeous state of Utah and to be residents of this wonderful community of Bountiful.

May we all have a great 2020!

# Bountiful's Spring Clean Up

Spring clean up is April 6 - 10. During that week on your regular garbage pickup day, City crews will also remove trash and refuse which has been properly bundled, bagged or boxed. Limbs and trees must be cut in five-foot lengths, bundled and tied with twine. Each bundle, bag or box must not exceed 50 pounds. Please separate metal items from your other debris as metal recycling crews will be picking up those items. Concrete and construction materials will not be picked up curb side. All items including old furniture or appliances must be placed on the drive approach or park strip, not on the street or sidewalk. Please note that spring clean up items will be picked up by several different clean up crews at different times or on days other than your regular garbage

day, so all of your clean up items may not be picked up at the same time. Please have your clean up items out for crews to pick up before 7:00 a.m. on your regular garbage day.

To assist you in your spring clean up, the landfill will not charge Bountiful residents a fee during spring clean up week or the following week (proof of residency is required). Trash that does not comply with the above restrictions can be taken to the landfill and disposed of at no charge April 6-18 during regular landfill hours. Landfill fees will still be in place for concrete and construction materials during the clean up free weeks. We do not accept

hazardous materials, propane tanks or tires of any kind during the clean up week or at the landfill.

**COMPLIANCE TO THE SPECIAL CLEANUP REGULATIONS IS MANDATORY. TRASH THAT DOES NOT MEET THE ABOVE REGULATIONS WILL NEED TO BE TAKEN TO THE LANDFILL BY THE PROPERTY OWNER.**

Garbage containers should be placed at the curb before 7:00 a.m. on your regular pickup day. Lids must be closed when put out for collection.

Landfill Summer hours are in effect April 1 through October 31 and are Monday through Saturday from 8:00 a.m. - 6:00 p.m.; closed Sunday & Holidays (see [www.bountifulutah.gov/Landfill](http://www.bountifulutah.gov/Landfill) for the holiday schedule). Vehicles must be out by closing, so please plan accordingly. Please separate recyclable items and place them in the proper areas at the landfill.

Compost is available at the landfill for spring gardening which increases water retention in your soil. The cost is \$35 per ton.

# Bountiful's Got Talent Auditions Announced

Audition dates for Bountiful's Got Talent are Wednesday, May 6, from 6:00 to 8:00 p.m.; Wednesday, May 13, from 6:00 to 8:00 p.m.; and Saturday, May 16 from 1:00 to 4:00 p.m. Auditions will be held at the Joy Foundation Studio, 55 North Main Street. Applications will be available at the studio during the auditions.

The finalists' audition date will be announced later.

Finalists will perform in concert on Friday, June 12 at 7:00 p.m. at the Bountiful City Park. For more information or questions, like Bounti-

ful City's Music In The Park Facebook page or contact Richard Watson at 801.540.3146 or the Joy Foundation at 801.797.9386.

# Please Take the Utah Wellbeing Survey!

Bountiful is participating in the Utah Wellbeing Project led by Utah State University. All adult residents of Bountiful are encouraged to take the online survey by going to the <https://tinyurl.com/ucb32wk>. The survey should take approximately 15 minutes. It's anonymous and voluntary. La encuesta está disponible en español. The link can also be accessed on the Bountiful City website.

With rapidly changing landscapes and populations in Utah cities, these data will provide key infor-

mation to leaders about the wellbeing of residents and the issues that are important to them.

If you have questions about this survey and the USU Project, please contact the project director, Dr. Courtney Flint at 435.797.8635 or [courtney.flint@usu.edu](mailto:courtney.flint@usu.edu). This survey has been approved by USU's Institutional Review Board (#9223) and Bountiful City.

## Annual Business Symposium

**B**OUNTIFUL CITY BUSINESS OWNERS – PLEASE SAVE THE DATE! Mark your calendar for the morning of **WEDNESDAY, MAY 6** for the **SIXTH ANNUAL BOUNTIFUL CITY BUSINESS SYMPOSIUM**. This will be a power-packed morning with a complimentary networking breakfast, Bountiful City update and a motivational speaker. Watch our website and social media for more details!

## Meet Councilwoman Millie Segura Bahr

In our recent election, Millie Segura Bahr, Kate Bradshaw and Richard Higginson were elected to serve on Bountiful's City Council. Councilwoman Bradshaw was appointed to fill a vacancy on the Council in November 2018, and was elected to continue serving, Councilman Higginson was reelected and Councilwoman Bahr was elected for the first time!

Millicent Segura Bahr was sworn in on Tuesday, January 14, at Bountiful City's Council meeting along with Councilwoman Bradshaw and Councilman Higginson. She is looking forward to serving in Bountiful, a place she now calls home since moving here ten years ago. Millie's first post-college job was with President George W. Bush's re-election campaign, in the swing state of Nevada. After a successful campaign, she left Nevada for Washington, D.C. where she worked for a U.S. Senator, was a junior staffer in the West Wing of the White House and finished her White House career as a Deputy to First Lady, Laura Bush. She has since held positions with other political and non-profit organizations.

Millie is a graduate of BYU with a Bachelor of Arts degree in American Studies. She is married to Dr. Christian Bahr, is the mother of three children and is currently serving on the Oak Hills Elementary Community Council and volunteering at the Bountiful Food Pantry.

Bountiful residents will soon receive an invitation in the mail from the U.S. Census Bureau to participate in the 2020 Census along with the populations in all 50 states, the District of Columbia and five U.S. territories. Each household will receive an invitation which can be responded to in three ways—online, by phone or by mail.

The Census is mandated by the U.S. Constitution, and is a once-every-decade count of everyone living in the country. When the government knows how many people live in our community, organizations and businesses are better equipped to evaluate the services and programs needed, such as clinics, schools, and roads. It also determines how Congressional seats are distributed among the 50 states. Expect the invitation to arrive during March of 2020, requesting that you complete a simple questionnaire about who lives at your address on April 1st. Federal law keeps those responses safe and secure. For more information visit [2020census.gov](http://2020census.gov).

## Scouting for Food Drive {March 21}

On March 21, the Feed Utah Food Drive will take place. This food drive is a partnership between JustServe, Boy Scouts of America/Utah Army National Guard and Air National Guard and Associated

Foods. Please put a bag or two of non-perishable food outside by your front door on the morning of Saturday, March 21, for local youth to pick up and deliver to the Bountiful Community Food Pantry.

Financial donations are also welcome at any time and can be made to the Bountiful Community Food Pantry, 480 East 150 North, Bountiful, UT 84010. Visit [www.bountifulfoodpantry.org](http://www.bountifulfoodpantry.org) for more information or to make a donation online, or call us at 801.299.8464.

The Pantry is very appreciative of all the help it receives from our generous community and would like to thank you for all the holiday support that was provided through November and December 2019. Through community donations and help, all needs for Sub-for-Santa were met and enough turkeys/hams were donated so that all Pantry clients were able to receive one. The Pantry is most grateful for the kindness of our community and the support that is provided for those in need.

To get information on service opportunities, the Davis County 'No Hunger Zone' (which is fighting child hunger) and most needed items at the Pantry, visit our website (see address above) or visit [www.justserve.org](http://www.justserve.org) for information on volunteer opportunities for individuals, families and groups.

## Gun Range Fire Burn Scar TLC

Most of us will not forget the early morning hours of August 30 when we woke up to see a glow of flames and clouds of smoke on the hills east of Bountiful! The fire is long out, but the damage done still remains and the hillside needs to be treated with a lot of TLC for the next several years so it can recover from the effects of the fire. Prior to the snow fall, there were reports of OHVs (off highway vehicles) driving through the burn scar. This and similar activities should not take place on the burn scar to give the vegetation plenty of time to make the hillside green again.

Over the past several months, the U.S. Forest Service has installed restoration signage in areas identified by their recreation trail leads and wildlife biologists thought to be the most impactful. The area burned has also been closed to cross country travel (off trail) in order to help preserve the restoration work the DNR (Department of Natural Resources) completed last fall. Thank you for helping in these recovery efforts!
