Introducing

**Mayor
Kendalyn Harris**

Kendalyn Harris grew up in Bountiful and was the Mayor in 4th grade at Meadowbrook Elementary near the Rec Center ("The Bubble"). She graduated in Political Science and Communications from the University of Utah, was President of the Davis County Republican Women organization and served on the City Council for eight years before being elected as the first female Mayor (30th Mayor) of Bountiful City. Kendalyn's grateful to her husband James and to Bountiful residents for the trust they have given her with this opportunity to serve. She's excited to get to work on a new City General Plan, bringing fiber optic infrastructure to residents and fresh ideas for economic development.

**Councilmember
Jesse Bell**

Jesse and his wife Cami love living and raising their four children in Bountiful. They enjoy the outdoors, new adventures, and almost any kind of ice cream. Jesse grew up in Roosevelt, Utah, served a mission in Texas, and then married Cami while they were attending Utah State University. Jesse earned a degree in Landscape Architecture and Environmental Planning and has spent much of his professional life planning and designing critical community spaces that bring people together. He now enjoys his work as a mortgage loan officer, helping people purchase homes that best fit their needs. Jesse has previously served on the Bountiful City Planning Commission & Trails Committee and he looks forward to working with Bountiful residents in this new role.

**Councilmember
Cecilee Price-Huish**

Cecilee Price-Huish is a long-time community improvement advocate and volunteer, who points to the civic pride and community spirit of her fellow residents as the "special sauce" in Bountiful. Cecilee raised her five children, with her husband Steve Huish, in the shadow of the Bountiful foothills, where she can often be found hiking. Cecilee is an attorney with experience in commercial real estate, family law and nonprofit law. She has served on the boards of many local nonprofit organizations/companies and worked on the PTA and Community Councils at local schools. Cecilee is excited about Bountiful's future and hopes residents will reach out often with their ideas and concerns.

Bountiful's Spring Clean Up

Spring clean up is April 4-8. During that week on your regular garbage pickup day, City crews will also remove trash and refuse which has been properly bundled, bagged or boxed. Limbs and trees must be cut in five-foot lengths, bundled and tied with twine. Each bundle, bag or box must not exceed 50 pounds. Please separate metal items from your other debris as metal recycling crews will be picking up those items. **Concrete and construction materials will not be picked up curb side.** All items, including old furniture or appliances, should be placed on the drive approach or park strip, not on

the street or sidewalk. Please note that spring clean up items will be picked up by different clean up crews at different times or on days other than your regular garbage day, so all of your clean up items may not be picked up at the same time. Please have your clean up items out for crews to pick up before 7:00 a.m. on your regular garbage day.

To assist you in your spring clean up, the landfill will not charge Bountiful residents a fee during spring clean up week or the following

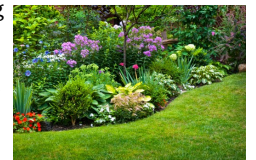

week (proof of residency is required). Trash that does not comply with the above restrictions can be taken to the landfill and disposed of at no charge April 4-16 during regular landfill hours. Landfill fees will still be in place for concrete and construction materials during the clean up free weeks. We do not accept hazardous materials, propane tanks or tires of any kind during the clean up week or at the landfill.

COMPLIANCE TO THE SPECIAL CLEANUP REGULATIONS IS MANDATORY. TRASH THAT DOES NOT MEET THE ABOVE REGULATIONS WILL NEED TO BE TAKEN TO THE LANDFILL BY THE PROPERTY OWNER.

Garbage containers should be placed at the curb before 7:00 a.m. on your regular pickup day. Lids must be closed when put out for collection.

Landfill Summer hours are in effect April 1 through October 31 and are Monday through Saturday from 8:00 a.m. - 6:00 p.m.; closed Sunday & Holidays (see www.bountifulutah.gov/Landfill for the holiday schedule). Vehicles must be out by closing, so please plan accordingly. Please separate recyclable items and place them in the proper areas at the landfill.

Compost is available at the landfill for spring gardening which increases water retention in your soil. The cost is \$35 per ton.
