Mayor's Corner: Budget

The City Council and I have been meeting with Bountiful City's management and staff over the last few months to prepare the City's budget for Fiscal Year 2016-2017 which begins on July 1, 2016, and ends on June 30, 2017.

Each City department has provided to us a narrative explanation and supporting quantitative data for their proposed budgets and services in alignment with stated Council Policy Priorities which state what is important to the City of Bountiful (see page 9 of our current Fiscal Year 2015-2016 Adopted Budget on our website for more details).

By state law, the annual budget must be balanced as to revenues

and expenditures/expenses and be adopted in accordance with the Utah Fiscal Procedures Act by June 22 annually.

The overall budget process is guided by a collaborative effort of your elected officials and City staff under a continuing shared goal of keeping Bountiful City financially stable, balanced, and diverse both now and in the future. Listed below are some key dates to be aware of in May and June related to the budget. In addition, a public notice related to an annually budgeted transfer from the Light and Power Fund to the General Fund of the City is included in your utility bill for your information.

Questions on the budget process can be directed to either Gary

Hill, City Manager, or Galen Rasmussen, Assistant City Manager.

If you are interested in finding out more about the budget process you can attend our City Council meetings on:

- **Tuesday, May 10** work session at 6:00 p.m. and/or the regular meeting at 7:00 p.m. when the tentative budget for fiscal year 2016-2017 will be adopted
- **Tuesday, June 14** at 7:00 p.m. for a public hearing on the budget and adoption of the final budget.

Home Safety Reminders

Smoke alarms save lives!! Having a working smoke alarm in your home doubles the chance of surviving a reported fire. Nearly two-thirds of home fire deaths are in homes with no or non-working smoke alarms.

Here's what you should know:

- Install smoke alarms in every bedroom, outside each sleeping area and on every level of your home.
- Test your smoke alarms monthly.
- Replace all smoke alarms in your home every 10 years.

Carbon monoxide

Often called the invisible killer, carbon monoxide is an odorless, colorless gas created when fuels such as gasoline, wood, coal, natural gas, propane, oil, and methane burn incompletely. In the home, heating and cooking equipment that burn fuel, and vehicles or generators running in an attached garage can produce dangerous levels of carbon monoxide.

Here's what you should know:

- The dangers of CO exposure depend on a number of variables, including the victim's health, age and activity level.
- A person can be poisoned by a small amount of CO over a longer period of time or by a large amount of CO over a shorter period of time.
- CO alarms should be installed in a central location outside each sleeping area and on every level of the home.
- When a smoke or carbon monoxide alarm sounds, call 9-1-1 and get and stay outside. Source: NFPA

Thanks from the Pantry!

Every March the Bountiful Food Pantry partners with local Cub and Boy Scouts on the Scouting for Food Drive. The 2016 Food Drive in southern Davis County resulted in the donation of 111,313 pounds of food for the Pantry. The Pantry is very appreciative of these donations and of the time and effort put into this day by our local scouting organizations. If you missed the opportunity to donate food in March you will have the opportunity again on May 14 with

the Stamping Out Hunger Food Drive, or food donations are accepted at the pantry Monday – Saturday mornings, Tuesday, Wednesday and Thursday evenings or send a financial donation to Bountiful Food Pantry, 480 East 150 North, Bountiful, UT 84010.

In March 2016, the Bountiful Community Food Pantry helped 7,707 individuals with food assistance which included 882 children who attend 18 different schools in Davis County.

Car Show—June 17 & 18—Main Street and City Park

It's show time and the Bountiful Rotary Club is gearing up for their 18th annual "Coats for Kids" Car Show extravaganza. It will be held Friday evening, June 17 along Bountiful's Historic Main Street and Saturday, June 18 in the Bountiful City Park at 200 West and 400 North. We have made it easy to volunteer this year as well! Please visit the website at bountifulrotary.com and see how easy it is to sign up! There are many times and service options to choose from.

The Friday Night Street Party on Main Street begins at 5:30 p.m., just in time to join us for dinner at the food court! Buying your dinner there helps support the kids, so plan to have dinner with us! Also on tap are lots of family-friendly activities, live music and the parade of cool cars (sponsored by your local Ford stores) at 6:00 p.m. The Smokin' Tire Burnout (sponsored by Burt Brothers Tire & Service with the track set up sponsored by Holly Frontier Refinery) will be at approximately 8:00 p.m.

We begin on Saturday at 10:00 a.m. in the Bountiful City Park. The entire family can enjoy seeing the great cars on display, eating delicious food and playing games—the proceeds of which all go to support the kids! New this year is a Bike Rodeo from 11:00 a.m. until 1:00 p.m. (sponsored by LDS Hospital). And be sure to enter the drawing to win a Polaris Youth ATV donated by Tri-City Performance. At noon there will be a special patriotic program and show awards will be presented at 3:00 p.m.

Proceeds from this event go to clothe children in new and warm winter coats, boots and mittens. Over 8,000 children in our community have been served with funds from this event over the past 19 years. The Rotary Club appreciates the incredible support of the community, Bountiful City, and the many generous sponsors who have made this event so successful. Because the food and prizes are donated, when you register your car, purchase food and drinks, or participate in the drawings, games and contests, your dollars go directly to the children. So come, bring your family for dinner Friday night and also enjoy a wonderful Saturday in the Park while doing something positive for your community. Remember, it's all about the kids! Visit bountifulrotary.com for more information — or to volunteer!
