- Keep pipes from freezing this winter
- New recycling provider results in lower utility bill
- New classes at the Bountiful U of U
- Time to renew your business license
- Winter parking in effect as of November 1, 2013

MAYOR'S CORNER—I'M GRATEFUL

At this time of year, and as I come to the end of my term as Mayor of this wonderful city, I reflect on how grateful I am for the chance that I've had to come to know and work with so many of you. The last 12 years have been full of grand celebrations, a lot of hard work, and excellent forward progress in Bountiful's history!

We live in a great time and place. Throughout my life, I've watched Bountiful grow from a small, bedroom community to a thriving town full of people who are willing to give of their time and means to build strong neighborhoods and a sense of community. You have voted for City Council members who have represented you well. I've had the privilege of working with Barbara Holt, John Pitt, Scott Myers, Fred Moss, Tom Tolman, Richard Higginson, John Marc Knight and Beth Holbrook. They have been/are all strong leaders with a great vision and love for Bountiful City. I've learned from them and am a better person for working with them.

The staff at Bountiful City can't be beat! Our city is beautiful and well maintained from the inside out. The flowers, parks and gardens are so vibrant during the summer months, and our streets are well-plowed and maintained in the winter. All

of Bountiful City's departments work together to solve problems effectively and efficiently and each staff member provides citizens with excellent customer service on any and all issues.

We also have countless, extraordinary volunteers who make available wonderful events within our City each year. The hundreds of hours it takes to organize and carry out events such as Handcart Days, Summerfest, and the Rotary Coats for Kids Car Show are mind-boggling but so worth the opportunity to celebrate, support our community, and gather together with our families and other Bountiful residents.

My family, especially my wife, LaVon, has also been an incredible support to me during this time. I can't thank them enough for being my biggest fan club!

I'm grateful for the trust you as citizens put in me to lead the City for three terms. I leave this office with a greater pride and appreciation for Bountiful and those who live here - you who are my neighbors and friends. I look forward to still seeing you around town and at community events! Have a wonderful holiday season and I hope as you count your blessings, one of them will be that you live in the City of Beautiful Homes and Gardens!

November 2013

On Saturday, December 7th, Bountiful once again welcomes the Bar J Wranglers for a Christmas concert at Woods Cross High School at 7:00 p.m. Tickets are on sale as of Monday, November 4th.

FIND IT ON MAIN!

Are you observant when you shop on Main Street? Do you recognize the location pictured here? If you do - you could win a \$25 gift certificate to one of our Main Street Merchants.

Enter to win and get details at BountifulMainStreet.com.

CONGRATULATIONS to our recent winner... Cheryl Hansen who chose a gift certificate to Touche'

WELCOME BACK: BAR J WRANGLERS ARE A-COMIN' TO TOWN

To kick off the 2013 Christmas season, the City of Bountiful will once again host the Bar J Wranglers in concert. Both reserved seating (which will be sold only at Bountiful City Hall) and general admission seats will be available.

The Bar J Wranglers are from Jackson Hole, Wyoming, and their legendary style of music is a mix of western music, cowboy music, harmony and comedy. An evening of fun entertainment will get everyone in the holiday mood as they experience the charm of singing cowboys.

The Bar J Wranglers will perform at

Woods Cross High School, 600 W. 2200 South, Woods Cross, on Saturday, December 7th at 7:00 p.m.

Tickets are \$25 for reserved seating and \$20 for general admission. Tickets are available at Bountiful City Hall, 790 S. 100 East, (reserved seats & general admission); general admission only at both Dick's Market locations, The American Cowboy (1450 West 400 North, W. Bountiful) and Winegar's.

For questions and ticket information, please contact Bountiful Utilities at 801.298.6100 or Richard Watson at 801.540.3146.

WATER DEPARTMENT REPORT

As homes have been built and landscaping completed in Bountiful City, water supply demands have increased, particularly in the southeast part of the city. As a result, our usual water supply sources have had to be supplemented with well water resulting in complaints that the water has become increasingly hard during the fall months. While well water is good quality drinking water, it is subject to minerals (mostly calcium carbonate) that our treated surface water is not, and can be more than twice as hard as the treated surface water that so many of our customers have become accustomed to. This is especially true in the south part of town where culinary water is used for irrigation. Customers have asked why we don't warn them when the hardness of the water will change in their home. The answer is simply that we have no way of knowing. There is always some treated (softer) water flowing into the system, and where that water goes in the system is demand based, making it impossible to track where that water will end up. If this is an issue at your home, we would suggest installing a water softener.

Each winter, many water customers either forget or are not aware that their sprinkler system needs to be shut off and drained. If you use

culinary water to irrigate with this is especially important. Water left in sprinkler system pipes can freeze during the winter and cause broken pipes and leaks that go unnoticed until the extremely high water bill arrives in the mail. These leaks can also cause severe property damage in some cases.

So, if you haven't already, take the time now to drain and shut off your sprinkler system to avoid broken pipes and leaks.

Another way to avoid a high water bill or other problems caused by water freezing in pipes, is to keep a small stream of water running from a faucet in your home if outside temperatures remain under 20°F for an extended period of time. With recent colder-than-normal winters, the frost line has gone deeper into the ground,

which can result in frozen water services. The Water Department has made an effort to dig up and lower lines in the street that could freeze, but there are many Bountiful homes with water lines that are not buried deep enough on the property side of the meter to prevent the water from freezing. The few dollars it would cost each month to keep a little water running would well be worth avoiding a much larger plumbing bill should the service line freeze. If you have any questions, please call the Water Department at 801.298.6180.

U OF U BOUNTIFUL CLASSES

New classes at the Bountiful U of U: **Stained Glass Mosaic Tiling**
In this introductory class, you'll learn to cut glass, form a design, adhere the glass to a surface, and grout it into place as you complete a small project of your choosing. No artistic experience is necessary.

Growing Gourmet and Medicinal Mushrooms
We will explore the mushroom life cycle, diversity of mushrooms, cultivation, best types of mushrooms to grow, easiest methods for beginners, and

options for propagating mushrooms indoors or outdoors. You will leave the class with your own, fully colonized mushroom block in your choice of Reishi, Oyster, Lions Mane or Shitake mushrooms and a straw bucket colony that you will build yourself in class. Class requires 24 hours or more

advanced registration. Call 801.587.5433 for more information.

For our list of other Spring Semester Credit Classes see continue.utah.edu/bountiful/credit.

BOUNTIFUL FOOD PANTRY—HOPE BEGINS HERE

Holiday time is always a busy time at the Bountiful Community Food Pantry and there are many service opportunities that are available, giving members of our community a chance to help others during the holiday time. These opportunities include:

- Food and/or monetary donations
- Participate in the pantry Sub-for-Santa program which helps over 300 children 'have Christmas' annually

- Volunteer at the Pantry

Visit www.bountifulfoodpantry.org or call Lorna Koci, 801.288.8464, at the pantry to get more information about how you can help.

if you are in need of help or know someone who is, please call or come to the pantry. The message 'Hope Begins Here' is what the pantry goes by - both for families and individuals in need, and volunteers.

STORM DRAIN AND FLOOD HAZARD INFORMATION

Bountiful has two drainage systems - the sanitary sewers and the storm drains. The storm drains collect water from the streets and other areas and carry it to the streams. Because there are no filters on the storm drain system, it can also unintentionally carry pollution such as dirt, yard waste, oil, pet waste, and pesticides directly to the streams. Causing any such pollution to enter the storm drain is a violation of the law and could lead to serious penalties. Please help us keep our streams and storm drains clean!

The US Congress has mandated all federally insured lenders to require flood insurance on properties that are located in "Special Flood Hazard Areas" which are those areas determined to have a

1% or greater chance of flooding in any given year. The Federal Emergency Management Agency (FEMA) issues maps known as Flood Insurance Rate Maps (FIRM), to help determine the flood risks for real property. The Bountiful City Engineering Department can assist inquirers about flood insurance, flood zones, and flood protection for specific properties. FIRMs can also be viewed over the internet using FEMA's Map Service Center: <http://www.fema.gov/national-flood-insurance-program/map-service-center>.

Those having questions about flood hazards or storm drain pollution should contact the Engineering Department at City Hall, 801.298.6125.

ACE RECYCLING AND DISPOSAL ON BOARD

You may have noticed that you have a new recycling can, and if you do not already have one, you soon will! After reviewing several bids, the Bountiful City Council recently approved Ace Recycling and Disposal as the new recycling provider for Bountiful City.

On November 11th, Ace will begin delivering new recycling cans to residents during a two week process. *To help with the process, please leave your old recycling can out after it has been emptied by Waste Management on your trash day during the last two weeks of November* (white week November 18th–22nd; green week November 25th–30th). The old cans will be picked up by Waste Management after they have been emptied during the last two weeks of November. **There will be no pickup on Thanksgiving Day, November 28th.** Thursday's route will be picked up on Friday, and Friday's (November 29th) route picked up on Saturday.

There will be more information sent out as the transition comes to a completion, but in the mean time, Bountiful citizens will see two changes:

1. A new recycling can.
2. A **DECREASE** in the recycling charge on your monthly utility bill of \$0.75 beginning in January 2014!

Everything else will remain the same including the materials that are acceptable in the recycling can and the day of collection for your address.

Waste Management, who has been collecting Bountiful's recyclables for the last five years, has done a tremendous job of diverting material from our landfill (just over 14% of waste materials were diverted in 2012) during all kinds of weather and under all kinds of circumstances. We would like to thank them for the outstanding service they have provided.

If you have any questions, visit www.bountifulutah.gov for a list of acceptable items for recycling; call Ace at 801.363.9995 about your **NEW** recycling can; call Waste Management at 1.888.496.8824 if you still have your **OLD** recycling can after December 1st.

BUSINESS LICENSE RENEWAL

Did you know you need a business license if you are running a business out of your home or opening a new store or restaurant at a commercial location? Come and apply for a business license in the Planning and Zoning Department at City Hall. All business licenses

are valid January 1 thru December 31, and must be renewed each year. Watch for your business license renewal notice in the mail during December. Any questions? Call us at 801.298.6190.

CENTERPOINT LEGACY THEATRE ANNOUNCES 2014 SEASON

- **Forever Plaid**—January 13 to February 8
- **The Sound of Music**—March 3 to 29
- **Man of La Mancha**—April 22 to May 17

South Davis Recreation Center

- Thanksgiving Day Turkey 10k, 5k and Kids 1k - Thursday, November 28.

- Swim or Skate with Santa - December 7 – Come meet

Santa at the Rec Center from 12:00–2:00 p.m.!

- The Christmas Extravaganza Ice Show, Friday, December 13, 7:00 p.m.

- Sweethearts 5k and 1k- February 8, 2014.

Visit www.southdavisrecreation.com or call 801.298.6220 for more information.

GOLDEN YEARS SENIOR ACTIVITY CENTER

For information on any of our many activities, or for a complete calendar of events, call us at 801.295.3479, come in (726 South 100 East, Bountiful) or easier still, visit our website at www.co.davis.ut.us and click on Aging Services and then Senior Centers.

Additionally, Davis County Health Department’s Senior Services is holding a gift drive to help make the holidays a little brighter for senior citizens who may be isolated or not have the financial resources to celebrate this year. To donate, bring a gift to the Golden Years Center by Friday, December 13, at 5:00 p.m. For more information or to receive a gift request contact Jessica at 801.525.5087 or jhardcastle@daviscountyutah.gov. Gift request will not exceed \$50.

BOUNTIFUL DAVIS ARTS CENTER

Now is a great time to become a member of the Bountiful Davis Arts Center (BDAC) or renew your current membership. The mission of BDAC is to engage the community through quality artistic and cultural programs, provide educational experiences, and encourage the growth and expression of art. BDAC offers classes for adults and children, exhibitions, family activities, presentations and the annual Summerfest International Art and Folk Festival. To learn more about membership levels please visit <http://www.bdac.org>.

Upcoming Events:

November 15 - December 25: Annual Holiday Show & Sale. This year artists will be donating ornaments to be displayed on our Christmas tree.

Family Art Night - November 25: Get creative with texture, January 26, February 23 - 7:00-8:30 pm. Free family art project and refreshments.

Art Classes for adults and children will begin the week of January 13th.

Visit our website for the complete schedule.

BDAC is located at 28 East State Street Farmington, UT 84025. South Door, 2nd Floor - Contact: (801) 451-3660 or info@bdac.org.

WINTER PARKING AND SNOW REMOVAL

It’s that time of year again when the City’s winter parking ordinance goes into effect. In an effort to help our Street Department continue doing such an excellent job clearing the snow from the roadways, we are asking for your cooperation in not parking your vehicles on the street when prohibited as outlined below. Bountiful City Parking Ordinance § 13-1-103 states:

“It is unlawful for any person who owns or has possession, custody, or control of any vehicle to park or allow to be parked any vehicle or trailer on any street between the hours of 2:00 a.m. and 6:00 a.m. during the months of November, December, January, February, and March.”

The ordinance also prohibits parking vehicles on the street when it is actually snowing, or within twelve hours thereafter. This prohibition does not include Main Street between 500 South and 400 North. Officers will be putting warnings on vehicles left parked on the street for the first two weeks of November. After that, officers will begin issuing parking citations on all vehicles that are left on the street in violation of this ordinance. For more information, please visit the police department website at <http://bountifulcitypd.com/2012/10/15/winter-parking/>.

SNOW REMOVAL

- Remove snow from the sidewalks adjacent to your property within 24 hours after a snow storm. (City Ord. §6-2-115). Making sure your sidewalks are clear makes it safer for pedestrians and drivers during the winter months.

- Do not blow or shovel snow off your driveway or sidewalk into the street. (City Ord. §6-2-115). Do not defeat the efforts of our snow plow drivers by putting snow into the street. It is dangerous!
