Disaster Communication Seminar

Emergency Preparedness

Bountiful City Neighborhood Emergency Preparedness Council invites you to a Disaster and Emergency Communications Seminar! With the recent hurricanes in the east, and lessons learned from the Colorado Springs and California wildfires, we have put together a seminar detailing how to receive communications within our community and local government, and how to set up communications within family groups, using commonly available technology.

Topics will include:

- Lessons learned during disasters on the importance of communicating with family.
- How and why communication technologies fail.
- How to communicate with family and public safety when cell phones and communications are down.
- Strategies for communicating with family members in other states when you can't get through.
- Experiences with past disasters have shown that communications can be down for days even weeks.

Please join us for this seminar on Thursday, March 20th, 2025 at 7pm in the South Davis Junior High School Cafeteria, 298 West 2600 South, Bountiful, Utah 84010.

AT A GLANCE DATES*:

CITY CLOSURES

1/1/25 - New Years Day
1/20/25 - Martin Luther King Jr. Day

HOLIDAY GARBAGE COLLECTION

Garbage and recycling are collected on all holidays except Thanksgiving Day, Christmas Day and New Years Day. Pick up is delayed after those holidays by one day the rest of the week.

WINTER PARKING ORDINANCE

Beginning November 1, there is no overnight parking on City streets. This ordinance is in place until March 31, 2025

CITY COUNCIL MEETINGS:

- 1/14/25 @7PM - City Hall
- 1/28/25 @7PM - City Hall
- 2/11/25 @7PM - City Hall
- 2/25/25 @7PM - City Hall
- 3/11/25 @7PM - City Hall
- 3/25/25 @7PM - City Hall

*always confirm meeting/event dates and times on the City website or the website indicated.

Bountiful Fiber

Crews are making great progress on installing conduit for fiber in Bountiful City. You've no doubt seen them either in your neighborhood or around town.

The City is divided into ten "footprints" for rolling out Bountiful Fiber service! So far, there is availability in footprints two and three and parts of one, five and seven. These footprints are mostly in the northwest/west part of the City.

Notices are posted on our website and social media as residents in more areas of the City can sign up for Bountiful Fiber service so be sure to follow us there!

To find out when the footprint you live in is scheduled to be ready, and for answers to other questions such as service cost, construction restoration, etc., visit mybountifulfiber.com or call 801. 987.9230.

Winter Parking Ordinance

Overnight parking on Bountiful City streets is prohibited between the hours of 2:00 a.m. and 6:00 a.m. from November 1 through March 31, so our awesome snow plow drivers can safely and efficiently clean our streets!

Also, please do not shovel or blow snow from your property into plowed streets - it is unlawful*, not safe and defeats the work of the plow drivers! For more information, visit our website! *Bountiful City Code 6-2-116)

S.D.M.F.

South Davis Metro Fire reminds you to clear snow and ice away from fire hydrants. In emergencies, saving time is essential. During winter months, fire hydrants can become lost in snowbanks causing delayed firefighting operations while they are located and dug out. By keeping them clear and visible, the house you save might be your own. sdmetrofire.gov

Bountiful Food Pantry

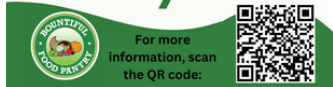

SAVE THE DATE
Feed Utah Food Drive
March 15th, 2025

1 in 4 kids in Davis County is at risk of going hungry. Each week Davis School District distributes 3,500 Pantry Packs to feed hungry kids over the weekend.

You can help by donating

Pantry Packs

Contribute to the Feed Utah Food Drive or Pantry Packs to help provide essential food to families in need throughout Bountiful. Your donations make a difference!

AUD Parking Requirements

Bountiful City is embracing modern housing solutions like Accessory Dwelling Units (ADUs) to expand affordable living options. However, parking requirements are often a critical factor when it comes to planning, permitting, and building ADUs.

Bountiful City Requires adequate off-street parking for both the primary residential use and the accessory dwelling unit, and any driveway and parking area shall follow the Code. In addition to the parking required for the principal unit at the time of construction, one (1) off-street parking space shall be provided for an accessory dwelling unit.

Bountiful Museum

131st

On Wednesday, Feb.12th we will celebrate the 131st Valentine's Day Wedding Anniversary of James & Alice Smedley. James Smedley built the Smedley Manor at 305 N. Main in 1893 and married Alice Chase on Valentines Day in 1894. The home is now where the Bountiful Museum is housed. James was a farmer who owned the land where Bountiful Park and the Rec Center are located.

Come in for a Valentine cookie while you watch a video of their love story!
