

# PANTRY BAGS 101

We are always in need of plastic grocery bags at the Pantry, and appreciate all who are willing to donate them to us. There are a few simple guidelines to follow.

- We accept all plastic shopping bags
- Bags should be clean and undamaged - no holes, tears, slits, etc.
- Bags should be straightened according to the specifications shown below.
- You may pick up banana boxes from the Pantry to transport the straightened bags
- All bags should be placed uniformly with handles to one end in boxes

Collect plastic shopping bags

Holding bottom of bag, slide other hand towards open end

Lay bags in a banana box with all handles towards the same side
