On April 12, 2022, the Bountiful City Council passed Resolution 2022-04 in response to the severe drought conditions in Utah. The ordinance restricts water use and imposes penalties for not observing the restrictions for each home/property that utilizes Bountiful City culinary water for irrigation, and allows outside watering according to regulations listed below:

5. Hand watering is allowed one time per week, with a maximum flow rate of 5 gallons per minute, for established trees and shrubs. The hose shall not be left unattended during this time and shall not be connected to a sprinkler head.
6. Watering of newly installed landscaping shall comply with the limitations set forth in this Resolution.
7. Rinsing or washing of sidewalks, driveways, patios or other impervious surfaces is not permitted.
