Mayor's Corner: Great things happening!

We are so excited with all that has and is happening in Bountiful City!

We recently had a grand opening for "Brickyard Bark Park" located at 1050 South 200 West — Bountiful's first dog park! If the number of dogs and their humans who have visited the park since it has been open is any indication, it is a VERY welcome addition to our City! We are glad to see the park being used and taken care of!

Next up is our City Hall renovation. If you have driven by the building at all lately, you have seen that things are happening! At

press time, both the east and west entrances are gone and have been replaced with Bobcats and backhoes! We are grateful for your patience as we have redirected you to our several temporary locations (see page three for location information), and we are excited for the progress that is being made on the building! We expect all City Hall operations will be back in the building in about a year, with MUCH improved access and space for residents. We will keep you posted on the progress!

And last, but certainly not least is the much anticipated opening of the Downtown Plaza later this year. This exciting project will house the Farmer's

Market, a one-of-a-kind water feature, and an out-

door ice skating ribbon. RDA funds and grants are being used as primary funding of this project and it will be AWESOME when it is done! Watch our website or follow us on social media (Facebook, Instagram and Twitter) to stay informed of the status of these projects and other important City news. You can also sign up for emails on our website at www.bountifulutah.gov.

Bountiful City's Fall Clean Up

Full clean up week is October 7-11. During that week on your regular garbage pickup day, City crews will also remove trash and refuse which has been properly bundled, bagged or boxed in addition to the regular pick up. Limbs and trees must be cut in five foot lengths, bundled and **tyed with twine**. Each bundle, bag or box must not exceed 50 pounds. Please separate metal items from your other debris as metal recycling crews will be picking up those items. Concrete and construction materials will not be picked up curb side. All items including old furniture or appliances must be placed on the drive approach or park strip, not on the street or sidewalk. Fall clean up items will be picked up by several special clean up crews which may come at different times

or days than your regular garbage collection. Different crews will be picking up different types of items. **All of your clean up items may not be picked up at the same time. Please have your clean up items out for our crews to pick up before 7:00 a.m. on your regular garbage day.**

Also, to assist you in your clean up, the landfill will not charge Bountiful residents a fee during fall clean up week or the following week (October 14-18—proof

of residency is required at the landfill). Trash that does not comply with the above restrictions can be taken to the landfill and disposed of at no charge for Bountiful residents during clean up week. Landfill fees will still be in place for concrete and construction materials during clean up week. Hazardous materials, propane tanks or tires of any kind are not accepted during clean up week or at the landfill.

COMPLIANCE TO THE SPECIAL CLEAN UP REGULATIONS IS MANDATORY. TRASH THAT DOES NOT MEET THE ABOVE REGULATIONS NEEDS TO BE TAKEN TO THE LANDFILL BY THE PROPERTY OWNER.

HOUSEHOLD HAZARDOUS WASTE COLLECTION PROGRAM Bountiful residents only

Bountiful City will be conducting a Household Hazardous Waste Collection Program on Saturday, October 12, from 9:00 a.m. to 3:00 p.m. at the City's Maintenance Facility located at 950 South 200 West. See the flyer in your September utility bill for detail. Information may also be found on our website at www.bountifulutah.gov.

HOLIDAY GARBAGE & RECYCLING PICKUP

Garbage and recycling are picked up on all holidays except for Thanksgiving, Christmas and New Year's Day. On Thanksgiving, Thursday's garbage will be picked up on Friday and Friday's garbage will be picked up on Saturday. The Christmas and New Year's holidays fall on Wednesday in 2019, so garbage and recycling pickup will be picked up on Christmas Eve and New Year's Eve (Tuesdays) and then delayed by one day the rest of that week starting with Wednesday's pick up which will be picked up on Thursday, Thursday on Friday, and Friday on Saturday. **Please place your cans out by 7:00 a.m. on your garbage day. Lids must be closed when put out for collection.**

FALL LEAF PICK UP

As autumn approaches, Bountiful City crews will be looking for leaves to pick up from your park strip. If possible, please bag your leaves so they won't be blown away. There is no need to call the City to schedule a pick up unless the leaves/bags have been set out for a week or more. This is an extra service the City provides until the trucks need to be made ready to plow for our winter storms.
